III. EXPLANATION OF WHY CONTESTED CHARGE IS IN ERROR

A Final Office Action dated 12 July 2004 was received by Applicants. A Response to the Final Office Action was filed by Applicants by Certificate of Mailing on 13 September 2004. The two month Response date of 12 September 2004, which was a Sunday, made the next available response date Monday, 13 September 2004, permissible for filing a response within two months of the Final Office Action. An Advisory Action was issued 14 December 2004. The Examiner mistakenly did not check Box (b) of the Advisory Action. Applicants filed a Notice of Appeal 12 January 2005 with a check for a one-month extension fee (\$120). Deposit Account 19-3550 was improperly charged \$900 for the deficiency between the check and a three month extension fee. The U.S. Patent and Trademark Office rule, annotated with the relevant dates of the present issue, is as follows:

"In the event a first reply is filed within TWO MONTHS of the mailing date of the final action [*yes Response filed Monday, 9/13/04*] and the Advisory Action is not mailed until after the end of the THREE-MONTH shortened statutory period [*correct, 3 month SSP is 12 October 2004*] Advisory Action not issued until 12/14/2004, then the shortened statutory period will expire on the date the advisory action is mailed [12/14/04], and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action [*the Notice of Appeal was filed 12 January 2005, or within one month from the Advisory Action date*]."

Therefore the fee should not have been increased over the one-month extension fee and Pauley Petersen & Erickson requests the overcharge of \$900 be returned to their Deposit Account 19-3550.
